Dear Mr Lewis

I have been thinking it might be simpler to send you a money order so you can get your ticket to camp in Jackson. I do not know what might be the best way for you to travel. As a result send me the ammount of money it will cost for your fare to Jacksonville.

Next do you need any equiptment. I will make sure you are going to be alright. Shoes and sweatsocks, in fact almost all baseball equiptment is hard to get, so if there is anything you need badly, let me know and I will try and get it for you. If you need shoes, be sure and state the size.

Is there any way you can start limbering up at home? You are down there where the weather is warm, and if you can start to get in condition it will help a lot.

Please let me hear from you right away, as the time is drawing near.

Very Truly Yours
